	Adjourn The Council’s next meeting is Spring 2016.	

Columbus State University is committed to excellence in its educator preparation programs. Two important, indirect assessments integral to this commitment are required by CSU’s national accrediting agency, the *Council for the Accreditation of Educator Preparation, Standard 4*. These assessments target both employer and alumni satisfaction.

In addition, it is the intent of this Council to provide assistance to both the school systems and university as both entities strive to meet state and national accrediting requirements and standards.
